

PL-720

The interactive pen display by Wacom.

Enrich your style of presenting.

The perfect choice for seamless integration in existing environments.
The Wacom PL-720 interactive pen display.

Because today's audiences are accustomed to a different, more interactive kind of media usage and consumption, Wacom has developed a contemporary, efficient presentation tool that helps to simplify any kind of knowledge transfer, whether in business or education: the PL-720 interactive pen display.

- **Enriches presentation methods**

The PL-720 allows comments to be written by pen directly on the screen which makes your presentation more lively.

- **Seamless integration**

With its 17" LCD screen and compact 4:3 format it can be easily integrated in existing teaching or presenting environments.

- **Optimises interaction with the audience**

The PL-720 promotes a motivating and fruitful face-to-face working atmosphere between presenter and listeners.

- **Advanced presentation ergonomics**

Enjoy perfect hand-eye coordination and ergonomic posture.
